

Associate Faculty Champion Scheme

The Associate Faculty Champion Scheme

The Associate Faculty Champion (AFC) Scheme promotes the development of innovative pedagogical practices so as to build a repository of teaching and learning strategies suited for SUSS.

Up to six AFCs are offered annually for a term of 18 months with a service fee of S\$6,000 per project.

Singapore University of Social Sciences
463 Clementi Road,
Singapore 599494

Teaching & Learning Centre

tlc@suss.edu.sg

Eligibility

The AFC scheme is open to SUSS teaching award recipients or associates nominated by School Dean/Director. The applicant must:

- have taught at least two semesters at SUSS, and
- be currently engaged to teach and/or provide instructional-related support to students, and
- will still be engaged to work in SUSS during implementation of the AFC project.

Application

1. Application opens in February. Eligible associates indicate interest by submitting their application.
2. Proposals will be recommended by TLC to the Teaching and Learning Committee for approval.
3. Applicants will be notified of the outcome by end May.
4. Projects to be implemented either in July semester or Jan semester of the following year.

Selection Criteria

Applications are considered on the basis that the proposed pedagogy:

- addresses a current need/problem
- has impact on student learning
- demonstrates feasibility for implementation within the indicated timeframe
- has potential to scale

Deliverables

- Innovative pedagogy definitive document and other instructional materials (if applicable)
- Sharing with faculty teaching the same course
- Final report
- A workshop or presentation to the SUSS fraternity

Disbursement of funds

Service fee will be disbursed in six trenches, upon completion of deliverables.

Publicity

Successful AFCs must grant the university permission to use their names and any materials generated from their projects for publicity, educational training, and other related purposes.
